

IBA NEW ORDER

Chicago Traffic: Eng Radio

Note:

We have made one final change to the software system that records information from your affidavits or invoices. This requires one final change to the ISCII codes we use for our spots. We apologize for the changes, but they are necessary as we update this software system. Please note the new ISCII codes for each spot. The creative remains the same.

***We will have a new sponsor beginning in June and will send an updated order in advance of the June 3rd expiration date
